

Compass has been awarded a SAMHSA (Substance Abuse & Mental Health Services Administration) Grant to provide **FREE** services to **anyone who has been impacted by COVID-19.**

Services are available in **Finney and Ford Counties**, which have been identified as “hot spots” due to COVID-19 outbreak.

Per Andrew Brown, KDADS Behavioral Health Commissioner, “Kansas, like most other states, has seen an increase in the number of people who are struggling with depression, anxiety, trauma or substance abuse over the last several months due to this Pandemic. These emergency Federal Funds will allow us to reach those who need it the most right now”

#### Other Qualifiers:

- ❖ No Health Insurance
- ❖ Health Insurance that does not cover all services and/or a hardship to pay deductible or Copay

Healthy Minds. Healthy Lives. Healthy Communities.

#### Focus of Services ~ Onset or Increase in Symptoms/ Stressors due to COVID-19:

- ❖ Adults and Children
- ❖ Behavioral Health issues
- ❖ Co-occurring Substance Abuse and Behavioral Health issues
- ❖ Healthcare providers
